R. J. Hanley, Carrollton, vice A. L. Ran

It is strictly an American remedy; home, made and without foreign flavor, we refer to Salvation Oil. The greatest cure on earth, for

A resident of a nearty suburb town recently to lay in a supply of Adamson's cough Balsam. He did not fixed it then, but as he paid for it he said he look presention and kept the cure. It keeps until used.

## "IT MIGHT HAVE BEEN." CHICAGO HAS STOPPED BOASTING.

The Poor and Criminal Classes Do Not Leave With World's Fair Visitors, New York, Jan. 17 -A special from Chi-

ngo to the Press says: cago to the Frees says:

The world at large seems to be getting even with Chicago. At least it seems, after having spent all its surplus cash here last summer and autumn, to have sent all its surplus poor here to recover the surplus

Nobody, apparently, with money to spend now visits the city. These who paid from \$3 to \$50 per day for rooms on the European plan during the fair may be pleased to know that the proprietors of the same hotels are offering the same rooms to residents at prices ranging from nothing to \$25 per month, with the proviso that guests thus inexpensively lodged shall in some sort recipro

In the leading American plan hotel of the town an Eastern drummer found himself alone in the dining room the other day with laws of nature, might have been averted. 50 waiters. It is said these huge establish-How true is it especially in regard to the ments in which thicago has always taken sick. Might it not have been the case with pride, are losing \$1000 a week, a drain nearly all of as at some period that had we which has not to be continued indefinitely in order to wipe out whatever margin of profits was left after tha tremendous dis-No one knows this letter than Mrs. Mary Lenderson, who lives at 89 Congress Avenue, before the fair was fiquidated. What has become of the people who were wont to visit Chicago during the winter, no one knows,

On the other hand, visitors who are a tax rheumatism, and was weak, fired and ner to the town have multiplied in a way that

It is not, in fact, difficult of analysis. Before the fanc, Chicago's regulation was all for dash, auducity, "bustle." The dashng, andregous, lostling came to her from all the world over: the weakings staid away the fair and the enormous money spent to see it gave it a reputation for wealth that bred the parasitical poor which thrive in all rich civilizations.
A certain inertia lins overtaken the town

since the fair. It is temperary, and is the same as was observed in Padadelphia for a year efter the centennial. It is the condition of a numerical system that has overstrained itself.
